Model:	DB9 from 13MY, Vanquish 13MY and Rapide S	
VIN Range:	Refer to Appendix A	
Subject:	Update for the Engine Management Software for AM11 Engine	

Reason for this Service Action (SA-03-0221)

The new AM11 engine is installed in DB9 and Vanquish from 13MY, and Rapide S from 14MY. As part of a programme of improvement, the engine management software for the new AM11 engine has been modified to improve the refinement.

Please refer to the attached VIN list in Appendix A and update the engine management software on all vehicles in the list.

Note: *You will need to have AMDS Version 2.33 installed to do this Service Action.*

Contents of this Document

This Service Action has the parts that follow:

Workshop Procedure

Appendix A - List of Applicable VINs.

Please refer to Appendix A for the list of applicable VINs for the vehicles that are affected by this Service Action.

Workshop Procedure
